

Yongrow YK-82C Oximeter

Digital Finger Blood Oxygen Saturation Meter and Heart Rate Monitor

Key features:

- Precise measurement, comfortable use
- Support real-time monitoring
- Alarm function

specifications:

Material | ABS

Size | 62x32x33mm

Parameters | SPo2, Pulse Rate

SPo2 measuring range | 70%~99%

Pulse Rate measuring range | 30BPM-240BPM

Power consumption | Below 30mA

Voltage | DC 2.6-3.6V

One-button
Measurement

5-8s Fast
measurement

Sound light
alarm

Red
infrared light

One stop solution be family guardian

Full function oximeter

Meet daily blood oxygen + pulse measurement

Outstanding Use Time

Ability to perform continuous 24-hour measurements and maintain accuracy

Continuous measurement -24 hours

Daily measurement (5 minutes each) -250 times or more

2*AAA battery
(not include)

LFC PLUS technology

improve the measurement accuracy in the case of exercise and weak perfusion

Reduce light interference

In blood oxygen measurement, ambient light is the most influential factor.

One stop solution be family guardian

What's in the package

In addition to the product and packaging,
we give an extra portable clutch + portable lanyard

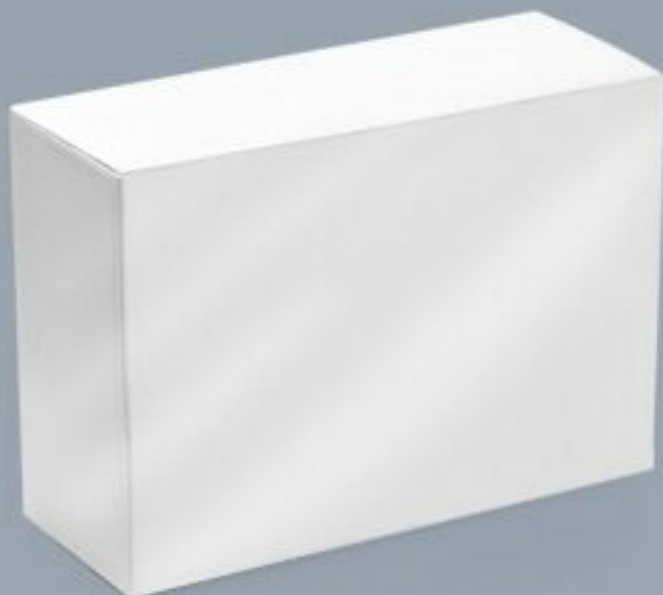

Oximeter

Storage bag

Portable lanyard

Packing box

Oximeter manual

One stop solution be family guardian

Product information

In-depth understanding of products, good products are not afraid of comparison

Brand	yongrow
Package Size	91*63*37mm
weight	80g
Battery	Battery DC3V, 2 * AAA alkaline (batteries not included in the package)
SPO2 Range	70% ~ 99%
SPO2 Accuracy	±2% in the range of 80%~99%, ±3% within the range of 70%~79%
Pulse Rate Range	30BPM ~ 240BPM
Pulse Rate Accuracy	±1BPM or ±1% of the measured value (whichever is greater)
Power consumption	Less than 30mA
Auto Powe off	When no finger is inserted, it will auto shut down after ≥8 seconds
